About Lotus Pharmaceuticals

Lotus Pharmaceuticals is a trusted name in the pharmaceutical industry, dedicated to providing high-quality, affordable generic medicines. With a commitment to excellence, we ensure that every product meets international quality standards while remaining cost-effective for healthcare providers and patients alike.

Why Choose Lotus Pharmaceuticals?

- GMP, WHO-GMP & DCGI Approved – Our products adhere to strict quality and safety regulations.
- Wide Range of Medicines – We offer tablets, capsules, syrups, injections, ointments, and more across various therapeutic segments.
- Affordable & Accessible – Committed to making essential medicines available at competitive prices.
- Robust Distribution Network – Ensuring timely delivery across pharmacies, hospitals, and healthcare institutions.
- Innovation & Reliability – Backed by advanced R&D and state-of-the-art manufacturing.

At Lotus Pharmaceuticals, we believe in healthcare for all by delivering safe, effective, and economical medicines.

Composition:
Luliconazole
Neutral Soap

1. Usage:
S.R.

Directions for use: For best results use the affected parts thoroughly, including with Luliconazole Soap. Thoroughly dry the skin before use. Apply the product liberally, using with the soap. A regular Luliconazole Soap culture testing is recommended.

Indications: Luliconazole Soap contains Luliconazole which is an active anti-fungal agent. It works by killing sensitive fungi by interfering with the formation of the fungal cell membrane and weakening it.

Likely to be safe except due to sensitive skin.

Keep out of reach of children.
Store in cool dry & dark place.

For External Use Only

Warning: This soap is not for the prevention of a fungal infection.
